

Our Equipment Rental Policies

Identification

A drivers license or other official picture ID, (such as a Military ID card or Montana ID card) along with positive proof of address and phone number are required for all rentals. A power bill addressed to you in the last month is always an easy way to provide proof. Customers who do not live in our general rental area will be asked to leave a security deposit.

This deposit amount will vary depending on the item being rented. A local job site address and phone number will also be required in some cases.

Payment, & Damage Waiver

All rentals are to be paid in advance, unless a charge account has been established with us prior to the time of your rental. Payment may be made with Master Card®, Visa®, Discover®,

American Express®, Local Checks or Cash. If lessee accepts damage waiver, then he shall have no responsibility for physical damage to the equipment EXCEPT as follows:

A. Damage or loss resulting from:

- Theft
- Overloading or exceeding the rated capacity of equipment
- Use of electric current provided by other than an electric utility
- Lack of lubrication or other normal service of the equipment
- Mysterious disappearances or shortage disclosed on inventory
- Use of the equipment in violation of any of the terms of this agreement
- Not securing loads properly

Rental Period

We charge from the time the rented items leave our store until the time they are returned. We realize that the items may not be being used this entire time, but we must charge on the basis of time out, not time used since we cannot rent the items to someone else while they are in your possession.

Equipment Breakdowns

We strive to keep our equipment in top working order. "Murphy's Law" however says that problems sometimes can and will occur. If you ever have any problems or questions about the items that you rent, please call us right away. Many problems can be solved over the phone. In some cases we may need to provide a replacement or substitute item. We will do everything possible to help you finish your job in a timely and efficient manner.

Extending the Length of Your Rental

If you rent an item, and are unable to return it at your scheduled time, please call us as soon as you realize you will need it longer. Since we accept reservations, some items may already be booked for someone else.
